Dear Parents and Carers

The Ryde Secondary College P&C works closely with the school to help provide the best learning environment and opportunities possible. We engage with parents, teachers and the broader community to further the interests of the school and raise essential funds to support a range of initiatives and projects.

In 2013 we raised over $45,000 to replace the audio visual and sound system in the Multi Purpose Centre (MPC). In 2014 we have committed over $110,000 to contribute to a range of important projects including the refurbishment of the library and a new bus. The library refurbishment will create new innovative learning and study spaces and the bus will reduce costs of transport for sporting and other offsite activities. In 2015 the school requires funds for the development of new teaching and learning resources to support the implementation of the Australian Curriculum.

We meet on the third Wednesday of each month, during school terms, from 7.00pm to 9.00pm. You are very welcome to come and join us to learn about what’s happening from the principal and teachers and to have your say about issues and opportunities.

Our major fundraising is done through an annual donation. We encourage you to make this donation, along with other school contributions so Ryde Secondary can continue to offer excellent services that enhance your child’s learning.

Yours sincerely

Anthony Clarke
President
